## **JUROR • David Dunlop**

David Dunlop is a modern-day old master whose luminous paintings draw from both Renaissance techniques and contemporary science. Dunlop graduated Phi Beta Kappa from the College of Wooster, Wooster, OH. He earned an MFA from The Pratt Institute, NY, NY., and he is on the faculty of the Silvermine School of Art in New Canaan, CT., where he teaches and lectures. David is the engaging host and writer of the 13-show national PBS television series, "Landscapes Through Time with David Dunlop," for which he won an Emmy and a CINE Golden Eagle Award in 2009. "Landscapes..." shows internationally and returned to U.S. national television in 2018. In 2017, the second series was nominated for an Emmy. David is also the instructor in a multi-DVD series on painting landscapes produced by SimmonsArt. He blogs regularly, and can be seen on YouTube - search "David Dunlop videos," and at [www.daviddunlop.com](http://www.daviddunlop.com).
